# ENDPOINT SECURITY: NEWSLETTER

**Endpoint Security Newsletter - October 2020**

## PRODUCT ANNOUNCEMENTS

**Symantec Endpoint Protection Remains #1**

Reading through marketing collateral, indeed one may conclude that all Endpoint Protection Platform (EPP) solutions are the same. They are not. Rigorous 3rd party testing helps confirm it.

## SERVICE ANNOUNCEMENTS
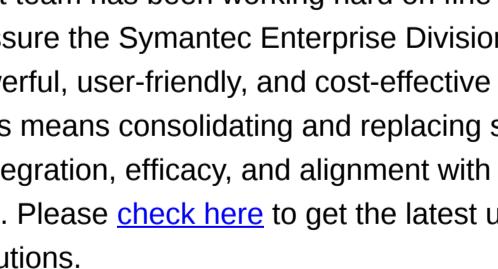

**Product Lifecycle Notices**

The Symantec Endpoint team has been working hard on fine-tuning its portfolio of Endpoint products to assure the Symantec Enterprise Division of Broadcom is delivering the most powerful, user-friendly, and cost-effective Endpoint solutions to you. Part of that process means consolidating and replacing solutions that no longer provide the top-most integration, efficacy, and alignment with your business infrastructure and goals. Please check here to get the latest updates on your current Symantec Endpoint solutions.
